

April 2013

Master's Message

Brethren,

As spring approaches and the weather slowly begins to get warmer we need to remind ourselves to keep nice what we have been blessed. A great way to show that appreciation, for our Lodge, is by volunteering for our "All Hands Day" on April 13th details are included in this newsletter. Now that we have a beautiful new blue roof the next project scheduled to be completed is the kitchen suppression system. This project was funded by the generosity of our Brothers and their families, for that the Lodge wishes to thank everyone who made this possible.

The Grand Master's 1-Day Class is scheduled for May 11th, 2013 at the

Cincinnati Masonic Center and J.B. Covert is scheduled to have 7 or more candidates attending to take their degrees. Come join us as we welcome these new candidates to Freemasonry. You can learn more about the One Day Class on our website.

www.jbcovertlodge.com

Although we are busy with degree we are working hard to develop a sense of fraternity and to keep our website and Facebook pages up to date with information on what's happening. Like us on Facebook, go to our website and get connected.

We are lucky to have an Order of the Eastern Star chapter in our Lodge and we hope to see this chapter stay at J.B. Covert for many years to come. Some of you may not know that the Eastern Star must have Masons as members, but more importantly have Masons fill some Officer spots to retain their chapter. **Our Easter Star needs our help in Masonic Membership to remain at J.B. Covert.** We can help take care of our family by joining the Easter Star and remaining active in the fraternities.

I remain excited for the warmer weather and the additional opportunities it provides to exercise Brotherly Love. If you know of a Brother, Widow or Orphan that is in need of Brotherly Love reach out to them and show them why Masonry became part of their lives. Contact information is attached to this Bulletin should you have a need or question. Be the Blessing.

All Hands Day April 13th!

April 13th
8:30 AM - 4:30 PM

Just like your home our building needs some tender loving care and April 13th is the day we're going to show our building some love. We'll start at 8:30 AM and go until we're out of steam! There are a lot of projects on the trestle board to be completed and we will need lots of members from all bodies to help with the load. We'll grill some hamburgers and hotdogs to ward off any hunger pangs brought on from all of your hard work. Please bring yard tools, painting equipment, power washers, and a great attitude!
